

## **Special Children Court inaugurated in Hyderabad**

South India's first special court for children has been inaugurated in Hyderabad on August 14, 2016. Telangana has become third state to establish special children court, after Goa and Delhi. The purpose behind establishing such special court is to provide a speedy disposal of cases relating to children. The court has features like separate waiting rooms which provides a child-friendly environment with toys, bean bags, colourful furniture and a video camera trial for the accused mandated under the Protection of Children from Sexual Offences (POCSO) Act- 2012.
